

A guide on how to create an Audiri account and how to complete the registration process.

Follow the steps below to create an Audiri account

- From your phone, navigate to the [Apple App store](#) (iPhone users) or [Google Play store](#) (Android users) and search for *Audiri* and download the free app.
- Once the download is complete, open the Audiri app, enter your email, and click on *Continue*.
- Click on *Create new account*.
- You will receive an email with a code. Enter the code on the app.
 - *If you do not receive the email within 15 minutes, please check your spam/junk folders. If it is not in your spam or junk folder, please visit [this page](#) for tips on how to troubleshoot the error you are experiencing.*
- Enter your first name and last name and select what best describes you and click on *Continue*.
- Enter your phone number and click on *Continue*.
- Type in your school or organisation name.
- Select the school from the dropdown selections and click on *Continue*.
- Select the subscription groups and click on *Continue*.
- Create a new password and click on *Set Password*.
- Click on *Start Exploring*.
