## TERM 1

Welcome to Term 1 2024! It is great to be back at our fabulous school, seeing all the familiar and new faces of our enthusiastic students. This year will be a continuation of fun and engaging learning opportunities for everyone.

This term, students will be given the opportunity to work on their listening, singing, moving, playing, creating, reading and writing music. Year 1s will be introduced to beat, rhythm, pitch and melody. Year 2/3s will build on their knowledge of beat, rhythm, pitch and melody, and learn about form, dynamics and tempo. Year 4/5s will continue to explore the critical elements of music through aural training as well as identify purpose and meaning in music. Year 6s will begin to respond to the arts through criticisms, aesthetics, context and style.

We will continue learning our community songs and students in the upper years will have the opportunity to choreograph and lead us in the dance moves to the songs during assembly.

I am looking forward to a fantastic 2024!
