

# Physical Education at Bateman Primary School

Term One 2022

**Greetings!** This is my first official year at Bateman Primary School, I was fortunate enough to start relief teaching at Bateman Primary School mid-way through last year as Relief. I am so excited to see what this year brings, and I cannot wait to work with all of your children. My focus for sport is always on making sure everyone is giving it a go, challenging themselves and most importantly having fun!

Our Phys Ed lessons are centred around Moving, Learning and Understanding goals. Each term will focus on new goals and new skills

For the junior school (year1/2), Term One will be all about learning and exploring fundamental movements skills. The term will start of with gymnastic movements and activities. Term One will end with introducing throwing and catching activities.

For middle (Year 3/4) and senior (5/6) students, we will be introducing and learning modified versions of Lacrosse and Tennis. Lacrosse is a game that allows students to develop skills in throwing, catching, defending and working as a team. The focus with Tennis will be around introducing the forehand strike. We will also have a focus around improving our roles within sport.

## Please Remember To

- Bring a Bateman Primary School Hat
- Water Bottle
- Sunscreen (If allergic to the schools)
- Sport shoes (No thongs, sandals, crocs)
- Bring a smile 😊

## Term 1 Events

- Swimming Trials: 8 March
- Swimming Carnival: 15 March
- Interschool Lacrosse: TBC

## How to contact me

I am based in the Science and am here early in the morning and late after school. My door is always open for parents and students if they would like to discuss anything.

If you have any questions and concerns regarding your child's progress, please let me know. The best way to reach is by email or by seeing me in person

My email is [stipe.kapovic@education.wa.edu.au](mailto:stipe.kapovic@education.wa.edu.au)

## Swimming Trials

Within the first couple of weeks, students in year 4-6 will be asked if they would like to attend the swimming trials. Swimming trials are not compulsory, and students can choose to participate in one or all three events. Swimming trials are only for students who wish to compete in the swimming carnival.

Guideline for competing

- Can swim 50m continuously in either freestyle, breaststroke, or backstroke (Level 5 skill)
- Dive in the pool

If you are unsure if your child is eligible to compete, please contact me to discuss any concerns.
