Late Arrivals & Absentees

Just a reminder about what to do if you are late dropping your child off in the morning or they are going to be absent. If your child arrives after 9.00am, they need to come to class via the office and sign in. If they are going to be absent, please phone the school or email us as soon as you can to let us know. Similarly, if you need to pick them up early for any reason, please go to the office first and sign them out.
