Late Notes and Absences

Just a reminder about what to do if you are late dropping your child off in the morning or they are going to be absent. If your child arrives **after 9.00am**, they need to come to class via the office and sign in. If they are going to be absent, please phone the school or email us as soon as you can to let us know. Similarly, if you need to pick them up early for any reason, please go to the office first and sign them out.

Communication

A few ways we will keep you informed of what is happening in the classroom include:

- Notes sent home with the children.
- Notifications from Skoolbag App.
- School Newsletters- fortnightly.
- Class Newsletters- termly.
- Email

Crunch and Sip

We usually have crunch n sip in the classroom at approximately 10:00am. Please remember to send your child's fruit and/or vegetables in a labelled container that is separate to their lunch box. This ensures minimal disruption to the classroom learning environment and greatly reduces lost property. Please also remember to send in a water bottle each day as well. Thank you.

Home Readers

Every Monday, a new book will come home for reading during the week. Once your child has read each day please write and sign the diary. Your child can write it in and you sign it or you can write it in.

This will happen on a Tuesday if we have a Public Holiday.

On Friday, the home reading book needs to be returned. This means, on the weekend, the students can read their own books.
