- June 1 - Public Holiday WA Day
- June 5 - Djeran 6 Assembly
- June 12 - Cross Country
- June 26 - Makuru 10 Assembly
- June 29 - NAIDOC Excursion

Perth Mint Excursion: Thursday 21st May

A Compass Event has been sent notifying you of this excursion. Please fill out the details and permission through your Compass App.

The Year 3 excursion to the Perth Mint gives students an exciting real-life way to connect their classroom learning to the world around them. By seeing how coins are made and learning about the history of money in Western Australia, students build their understanding of how money is used in everyday life and why it is important. The visit supports learning in HASS and Mathematics by helping children explore ideas about local history, earning and spending money, and recognising the value of coins, all in a fun and memorable way.

If your child is absent, please inform the office or myself via email or through the Compass App.
If your child arrives late - after 8.50 am, they must be signed in at the Front Office and the white slip passed to the teacher.
